We would like to welcome anyone interested in joining the Sandhills Sandsharks to come try out. This has been an exciting summer with some really talented young swimmers joining our summer league and lessons. We want to give everyone a chance to be on our team and become part of the Sandhills Sandshark family.

The Sandsharks have 7 different levels of teaching and training. These range from swim lessons all the way through National level competition. Each child receives first class coaching no matter what level your child is ready for.

Come early because we do our try-outs on a first come, first serve basis. There will be a parent orientation first. We will give out all general information and answer any questions you might have. We will have a quick five minute skills assessment for each child. Make sure to have your swim suit and goggles.

This is a stress free assessment and no one should worry about how they are doing. Just try your best.

We are looking forward to welcoming new faces to our team!

In 25 years the Sandsharks have participated

Olympic Trials Finals
Junior Nationals Finals
Academic All Americans
NC Zones Team
Top 20 College programs

US Championships Finals
H.S All-Americans
H.S State Champions
NC Swimming Champions
