We would like to invite anyone interested in joining the Sandhills Sandsharks to come try our Swim Camp . This has been an exciting summer with some really talented young swimmers joining our summer league and lessons. We want to give everyone a chance to be on our team and become part of the Sandhills Sandshark family.

The Sandsharks have 7 different levels of teaching and training. These range from swim lessons all the way through National level competition. Each child receives first class coaching no matter what level your child is ready for.

We are looking forward to welcoming new faces to our team!

Swim Camp

Cost \$20

(will be credited toward membership if swimmer joins team)

All MCSL are invited
